PROGRAM DESCRIPTION:

The programme takes place at Rialp-Sort field, the perfect setting surrounded by mountains and rivers to practise this sport. The field, of well-kept natural grass, benefits from several soccer pitches and is situated just 100m from Marvel Condes del Pallars Hotel where the participants will stay whilst at the camp.

The adventure sports take place in groups (children get together taking into account their ages and level) from Monday to Thursday. All groups are supervised by an expert and qualified instructor from the Rafting Llavorsí (company specialized in the sector). This company will be responsible for the transfer to the place where the activities take place and of their development.

Each activity has a different length, so there can be changes in the timetable or the type of activity to be done. All the activities are specially made for the children to have fun and enjoy nature. They do not mean any danger to them. The sports played are the following: rafting, multi adventure, equestrian sports, archery, canyoneering, quads, river ascent, canoeing, etc.
